STATEMENT OF FACTS

Sir:

We, Gary A. Harpell, Igor Palley, Max W. Gerlach, Alexander Lobovsky and
James A. Matrunich, declare and say:

The above-named inventors are all co-inventors to the application filed on
February 19, 1999, entitled, "Flexible Fabric From Fibrous Web and Discontinuous
Domain Matrix". There were two invention records that were combined to create the
basis of this application. The first invention record named Mr. Harpell, Mr. Palley,
and Mr. Gerlach as co-inventors, and the second invention record named the three (3)
men plus Mr. Lobovsky and Mr. Matrunich. However, a clerical error was made
when the application was actually filed with the U.S. Patent Office and Mr. Lobovsky
and Mr. Matrunich were inadvertently left off the Declaration. The error was
discovered when the Missing Parts Declaration was routed to Mr. Harpell, Mr. Palley,
and Mr. Gerlach for signature. The error was made without deceptive intention.

We hereby declare that all statements made herein of our own knowledge are
true and that all statements made on information and belief are believed to be true;
and further that these statements were made with the knowledge that willful false
statements and the like so made are punishable by fine or imprisonment, or both,

under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application and any patent issued thereon.
